options. Innuendo couched terminology symbolism double entendre are the stuff you have to have to be real...

11:17am, April 27

While I correctly told you that Es tu ma Bon fille is a proposition in Paris I only use it as a pretty phrase Et tut Mir leid

Be aggressive that's fine - but
given the circumstances I think we
should be somewhat slower than I
would normally be

Sent: 6:49pm, April 28

I'm hitting the treadmill so I'll be
AWOL for a bit

Sent: 6:51pm, April 28

I think opposite...

I've laid hands on you and love the

Sent: 6:55pm, April 28

6:57pm, April 28
